BOB FEERICK, Coach

San Francisco's own Bob Feerick has for the past dozen years been one of the most popular and respected college basketball coaches in America. His University of Santa Clara teams had a record of 193 wins against 118 losses and were twice the nation's defensive leaders. A former star in the National Basketball Association, Feerick is the only player to ever have led the League in both field goal and free throw percentages. He did it twice, in 1947 and 1948.

AL ATTLES

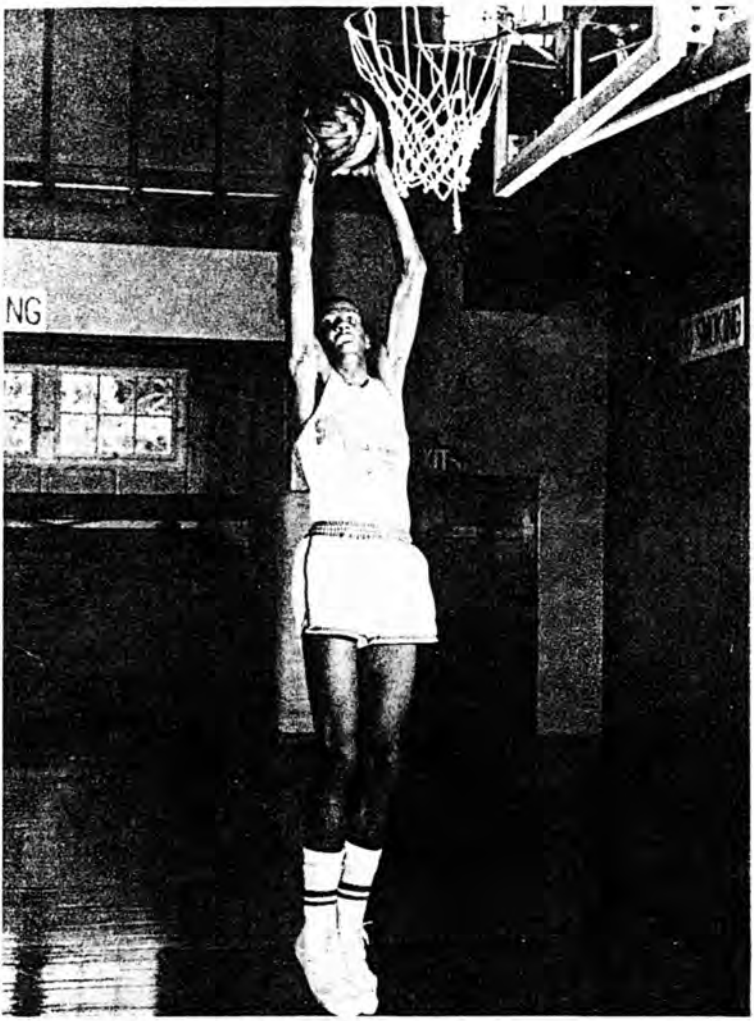
Age 25, Ht. 6-2, Wt. 175, 2 Yrs. in NBA

After two NBA seasons, jumping-jack Al Attles has established himself as a solid performer. When Attles is teamed with Guy Rodgers at guard, the Warriors have one of the fastest back court duos in the League. Was Warriors' fourth highest scorer last year with 844 points, an 11.2 average. Joined Warriors unheralded after playing college ball at North Carolina A and T. Spent summer working in playground in Newark, New Jersey, and conducting clinics.

WILT CHAMBERLAIN

Age 26, Ht. 7-1, Wt. 250, 3 Yrs. in NBA

Chamberlain is greatest scorer in basketball history and one of world's most celebrated athletes. Holds every major NBA scoring record, and averaged 50.4 points per game last season, the third year in a row he won League scoring title. Only player in NBA history to score over 3,000 points in one season, Chamberlain scored 4,029 points last season. In addition to scoring and rebounding, Chamberlain's stamina is phenomenal. Last season he played 3,882 minutes, by far the most in the League. Ex-Kansas University All-American, Chamberlain, a bachelor, owns a night club in New York and apartments in Los Angeles.



WAYNE HIGHTOWER

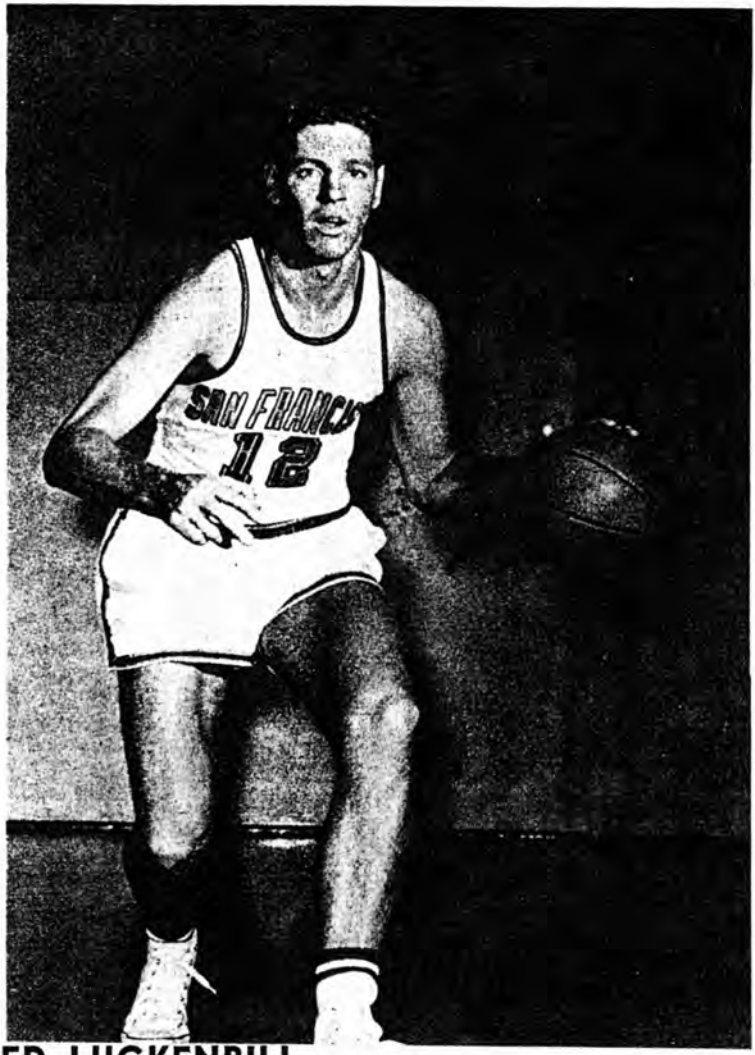
Age 22, Ht. 6-9, Wt. 210, First Yr. in NBA

Rookie Wayne Hightower, ex-Kansas All-American, was the Warriors' first draft choice. Last year Hightower led the Spanish National team to the finals of the European Championships, where Spain lost to Russia. Extremely fast for his size, Hightower is an excellent dribbler and ball handler as well as an outstanding shooter. Should provide Warriors with additional rebounding strength. Hightower prepped at Overbrook High in Philadelphia, the same high school alma mater as Wilt Chamberlain.

GEORGE LEE

Age 26, Ht. 6-4, Wt. 200, 2 Yrs. in NBA

Purchased from the Detroit Pistons just before the current season began, Lee is capable of playing either in the front or back court for the Warriors. As a rookie in the 1960-61 season, the former University of Michigan star averaged 12.1 points a game for the Pistons, and tallied at a 15.6 point a game clip in the playoffs. Last year Lee fell off to a 7.6 average. Prior to joining the Pistons in the NBA, Lee played one season for Denver in the National Industrial League.



TED LUCKENBILL

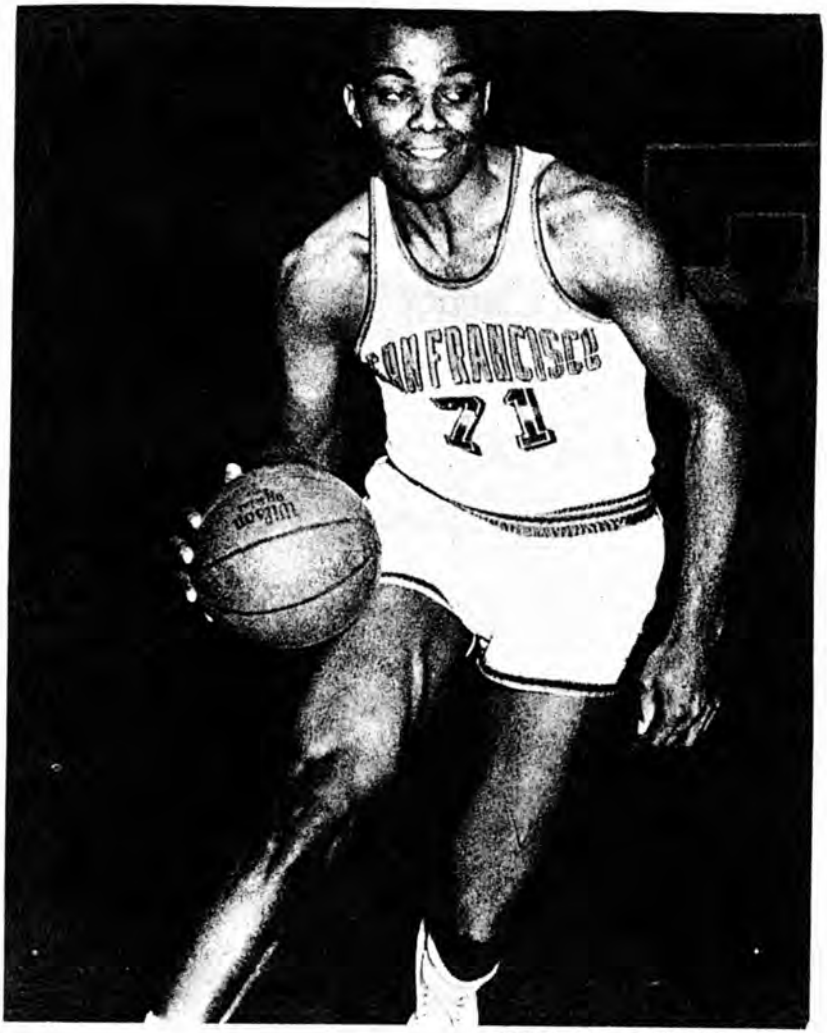
Age 23, Ht. 6-6, Wt. 205, 1 Yr. in NBA

With one year of NBA experience behind him, Luckenbill, former star at the University of Houston, is expected to see more action for the Warriors this season. A hard-driving forward, Luckenbill averaged 16.6 points a game during his collegiate career, where he was co-captain during his junior and senior seasons. Once made 26 straight free throws as a collegian. Luckenbill is a native of Elkhart, Indiana.

TOM MESCHERY

Age 23, Ht. 6-6, Wt. 215, 1 Yr. in NBA

This rugged soph won a regular forward assignment with the Warriors as a rookie last year, and his play was so outstanding in the playoffs that great things are expected of him this season. He averaged 12.1 points a game during the regular season, and improved to a 20.1 norm during 12 playoff games. Meschery is an excellent outside shooter and powerful rebounder. Will be only Warrior playing before hometown audience. Meschery was All-American prep at San Francisco's Lowell High. Later an All-American collegiate selection at nearby St. Mary's College. A bachelor, Meschery was born in Harbin, Manchuria, and as a child during World War II was placed in a nonmilitary confinement camp in Tokyo by the Japanese.



WILLIE NAULLS

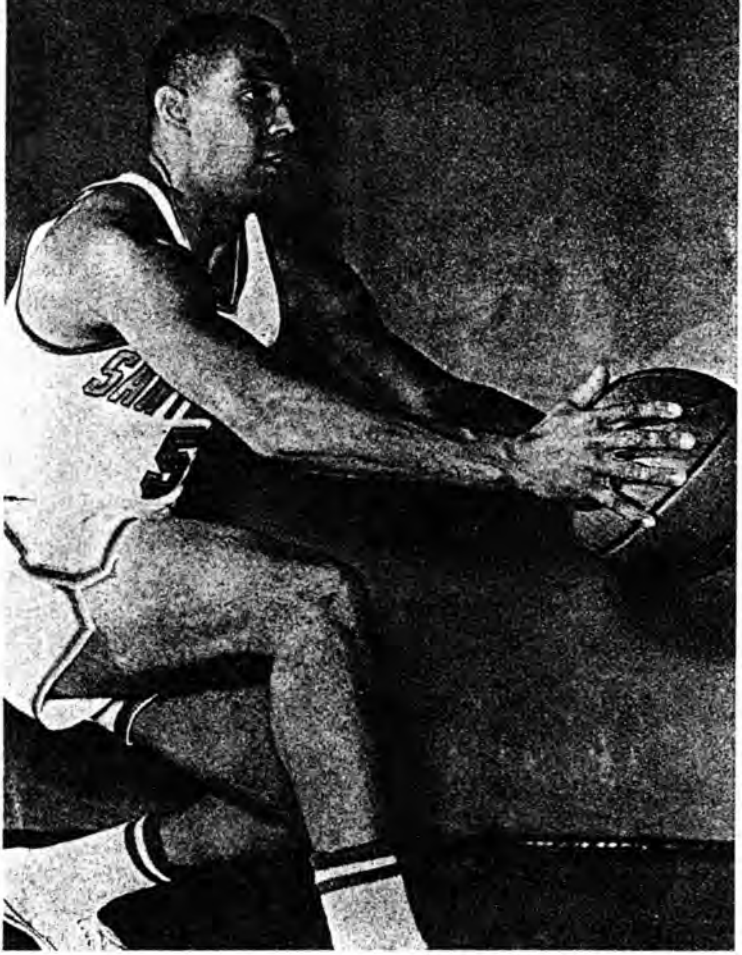
Age 28, Ht. 6-6, Wt. 225, Seventh Year in NBA

Willie Naulls, former UCLA All-American and a veteran of six previous NBA campaigns, is expected to provide the Warriors with excellent outside shooting. Acquired from New York in the trade for Tom Gola, Naulls averaged 25.0 points a game for the Knicks last year, and has been scoring at a rate of more than 20 points a game for the past three seasons. Naulls also is a rugged rebounder and exceptional free throw shooter. Has been selected for four East-West All-Star games. Naulls' single game career high in an NBA contest is 49 points, tallied against Detroit Feb. 1, 1961.

GARY PHILLIPS

Age 23, Ht. 6-3, Wt. 185, 1 Yr. in NBA

No. 1 draft choice of the Boston Celtics for the 1961-62 season, Phillips was purchased by the Warriors early this season. He has proved a solid performer and has been a starter on several occasions. Phillips is an aggressive player on defense and a good driver. He was a standout at Houston University, where he was a teammate of Ted Luckenbill, reserve Warrior forward.



GUY RODGERS

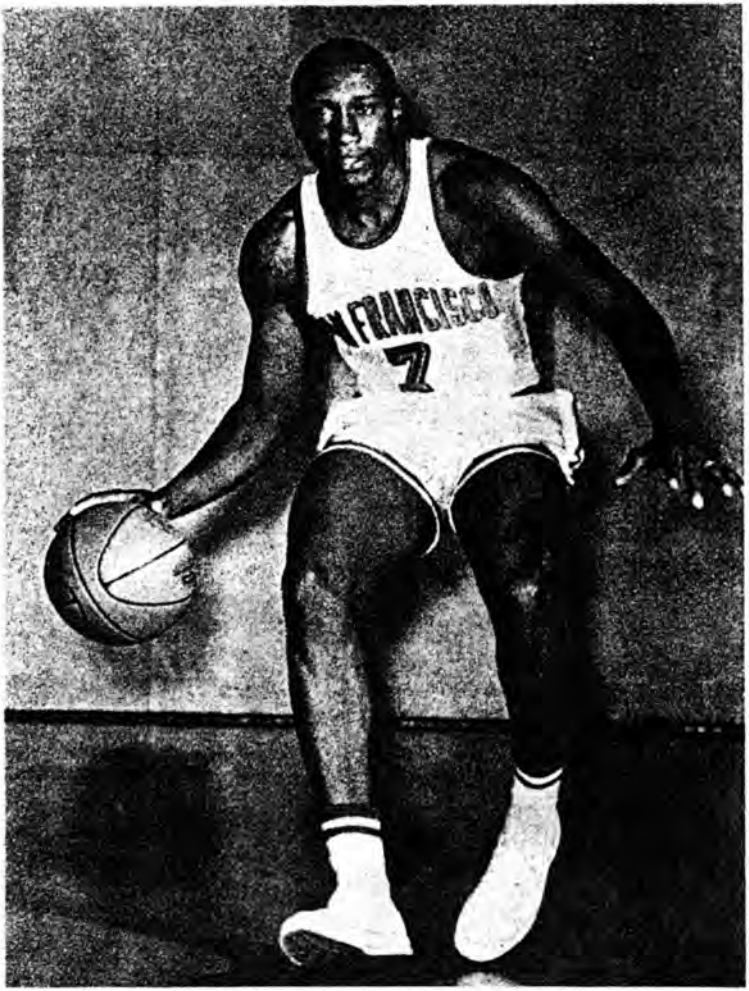
Age 27, Ht. 6-0, Wt. 185, 5 Yrs. in NBA

One of the fastest and most exciting players in the NBA, Rodgers, ex-Temple All-American, is the "quarterback" of the Warriors. His slick passing and ball handling have made him the logical successor to Boston's soon-retiring Bob Cousy. Last year Rodgers was the NBA's No. 2 man in the assist department. He's also a dangerous scorer with his southpaw jump shot. A fiery competitor, Rodgers thrills spectators with his deceptive behind-the-back feeds to teammates. Married and a father, Rodgers has three uncles who are doctors. His own father studied at Springfield College, Massachusetts, where Dr. Naismith founded the game of basketball.

KEN SEARS

Age 29, Ht. 6-9, Wt. 195, Seventh Year in NBA

Now in his seventh year in the NBA, Ken Sears was recently acquired from the New York Knicks in the trade for Tom Gola. Sears was An All-American at Santa Clara in 1955, where he played for Bob Feerick, now his coach with the Warriors. He twice led the Knicks in scoring, in 1957-58 with 1,342 points, and in 1958-59, with 1,488 points. Extremely agile for a big man, Sears is a fine shooter, rebounder and defensive player. He was voted the outstanding college player as a junior and senior, beating out Bill Russell for the honor.



HUBIE WHITE

Age 22, Ht. 6-4, Wt. 205, First Yr. in NBA

A key figure in the Warriors' 1962-63 plans is rookie Hubie White, former star at Villanova and San Francisco's second draft choice. White, who scored 1,608 points as a collegian, appears capable of playing either in the front or back court for the Warriors. Extremely fast and an outstanding jumper, White last year was chosen the outstanding college player in Philadelphia. The Warrior rookie spent the past summer working at a Philadelphia playground and improving his many basketball talents.

Warriors Healthy and Heating Up

By DICK FRIENDLICH

Good health and outside shooting can cure a lot of basketball ailments.

Hurting in both departments throughout the early months of the current National Basketball Association season, the San Francisco Warriors tackle the second half of the 80-game schedule in far better shape than they entered the first half, and ready to make a run at Los Angeles and St. Louis, the Western Division pacemakers.

The injuries which hampered forward Tom Meschery and guard Al Attles through most of November and December have faded away, and the happy trade that brought forwards Willie Naulls and Ken Sears to San Francisco from the New York Knicks in exchange for Tom Gola has reaped benefits to both teams.

Naulls and Sears, both six-year veterans of the NBA, more than make up in shooting ability for the 23-point per game contribution that the Warriors lost when forward Paul Arizin decided not to accompany the team west from Philadelphia.

Additionally, they give San Francisco a seasoning that it sorely missed during the early going — experience. Of Coach Bob Feerick's original squad, only three players, center Wilt Chamberlain, guard Guy Rodgers and Gola, had more than two years of NBA play behind them.

It must be noted that the Knickerbockers, in deep trouble early, immediately began to perk up with the acquisition of Gola, and though still fourth in the Eastern Division, appear to be a factor in the second half of the season.

The value of the new Warrior alignment may be judged by the scoring marks of the incredible Chamberlain. Earlier in the season, the giant shotmaker set arena scoring records at Madison Square Garden, the Cow Palace, the Los Angeles Sports Arena and Detroit's Cobo Arena, but the Warriors lost three of those five games.

During San Francisco's Christmas road trip, however, Wilt was "held" to 39 points in one game, 32 in another, yet San Francisco won both as his teammates provided balanced scoring fire-power.

Q.E.D., as they say in algebraic circles.

LEAGUE RECORDS SMASHED

The 1961-1962 season saw more NBA records broken than any previous year in League history. Most of these records were rewritten by San Francisco's own Wilt Chamberlain. Here are some of them:

The RULES

OF THE NATIONAL BASKETBALL ASSOCIATION

The National Basketball Association conforms to the college rules with the following exceptions:

1. All games will be played in four 12-minute periods.
2. Each player is permitted six personal fouls; but, only six personal fouls per team are allowed per quarter.
3. Substitutions are allowed at any time.
4. The free-throw lane is to be bounded by two lines 12 feet apart.
5. Any player who is fouled and injured and cannot attempt his foul shot and must be removed from the game for a substitute cannot re-enter the game. The opposing coach shall designate the foul shooter.
6. If a double-foul occurs, and participating players thereby incur a sixth personal foul, such players shall attempt the foul shot before leaving the game.
7. No Zone defense is allowed.
8. When a team is reduced to five eligible players, these players must finish the game, except in case of injury. Anyone of the last five players in the game, upon committing his sixth personal foul, shall be penalized by a technical foul in addition to the personal foul.
9. During the last two minutes of a regulation game, the clock stops on all out-of-bound plays.
10. The spaces alongside the free throw line closest to the basket will be occupied by two players of the defensive team with the other players alternating on both sides of the free throw lane.
11. The 24-second rule—The offensive team is required to shoot at the defensive team's basket within 24 seconds after obtaining possession of the ball. Failure to shoot at the basket within the required time will result in the loss of the ball.
12. All personal fouls by players of the offensive team, while such team is in clear control of the ball, up to and including the sixth team foul per quarter or up to and including the third team foul in an overtime period shall be penalized by having a personal foul charged against the offensive team player and loss of the ball out of bounds at the nearest spot where the foul occured. When the personal foul by the offensive team is the 7th foul or more in a regulation quarter, or the 4th foul or more in an overtime period, the penalty is the same as on any other personal foul and the offended team shall take the same number of shots as regularly required.
